5. Supplements for the PGIM Jennison Emerging Markets Equity Fund, PGIM Jennison Global Equity Opportunities Fund, PGIM Jennison Global Power Solutions Equity Fund and PGIM Jennison U.S. Growth Fund

9. Supplement for the PGIM Multi-Sector Credit Fund

The investment policies of the Sub-Fund are being updated to reflect that the Sub-Fund's benchmark (the Bloomberg Multiverse 1-5yrs Ex Treasury A+ to B- USD GBP EUR Index (USD Hedged)) is used for both performance-comparison and risk-management purposes. Updates are being made to the "*Investor Profile*" section of the Supplements to clarify that the Sub-Funds are intended for investors seeking "*long or medium-term exposure*". In addition to the updates above, the PGIM Fixed Income UCITS ESG Policy is being updated to amend the passive breach cure period for the Sub-Funds, to allow extensions of the cure period for an additional 90 business days where the Sub-Investment Manager reasonably believes that a longer cure period is in the best interests of the relevant Sub-Fund. Each extension (including initial and additional extensions) would require prior approval from the PGIM Credit Sustainable Investment Policy Committee. The changes will be reflected in the PGIM Fixed Income UCITS ESG Policy on the Effective Date.
